**[Notification] Discontinue and Stop New Sales Promotion of Connector (GSC series)**  
**(Murata Part Number: MM9329\*\*/MXTK\*\*)**

Dear Sirs and Madams,

Thank you for your business and continued interest in the Murata products.

We would like to announce you that Murata has concluded to discontinue the production and sales of Connector products (Murata Part Number: MM9329\*\*/MXTK\*\*).

Although we have been promoting these connectors for years, sales amount has been significantly decreasing year by year. Considering the situation, we regrettably have to judge that there is no opportunity to retain sales amount in order to continue the business.

Therefore, we would like to announce you that Murata will cease new sales promotions of Connector, effective today. Also, we would kindly request you to discontinue the use of our Connector in your new models.

Regarding LTB orders, we will send you a request letter again in half a year to one year.

Finally, we would much appreciate your kind understanding.

Sincerely yours,

EOL Schedule (Due Dates)

Last-Time-Buy Order	Mar. 31, 2016
Last-Time-Shipment	Sep. 30, 2016

Part Numbers to be non-available

Any other items with Murata Part Number "MM9329\*\*/MXTK\*\*" are also to be non-available.

Yoshiyuki Kurasawa
