As part of the merge of Broadcom and Avago Technologies into Broadcom Limited, it is necessary to rationalize part numbering to enable smooth ERP integration.

Customers will be required to place orders with the new part number that corresponds to the affected products starting on September 17, 2016.

Please provide your Broadcom Limited Sales Office with your lifetime Last Time Buy order requirements (LTB) for the above products no later than the date noted in the above table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the Last Time Buy order (LTB) date noted in the above table cannot be accepted.

The last requested delivery date for these orders may not be later than the LTS date noted in the above table. Due to inherent variations in yields, Broadcom Limited reserves the right to ship up to 5% under the original last time buy quantity, and this quantity will fully satisfy Broadcom Limited's obligation to deliver that product under this last time buy agreement.

All last time buy orders must be placed based on Broadcom Limited's minimum order quantity requirements. All prior commitments regarding Broadcom Limited minimum order requirements do not apply to last time buy orders. Broadcom Limited reserves the right to limit last time buy quantities based on capacity and material availability.
